

DAYBROOK STANDARD

MENHADEN FISH MEAL

Daybrook Standard Menhaden Meal is a good quality commodity grade fish protein manufactured for the animal feed industry. Protein is guaranteed at minimum 60% and is processed in Empire, Louisiana. All fish are caught in US coastal waters and transported by a dedicated fleet of 11 modern refrigerated vessels.

Daybrook has an on-site laboratory and is HACCP certified by GMP+ and NOAA. Daybrook is certified MarinTrust (IFFO-RS) by SAI Global as a responsible supplier. The Marine Stewardship Council (MSC) certified the Gulf Menhaden resource allowing Daybrook to sell all of its products under the coveted sustainability eco-label.
